LEARNING
AT HOME

GRADE - 4

2024 - 2025

Dear Parent,
Children are born with natural curiosity and inquisitiveness about the world around them. It is important for us to help them keep this spark alive and to make learning fun.

Summer Vacation is just round the corner, let every moment of this vacation be a time to unite, connect and enjoy beautiful moments with your child.

To be ready for tomorrow's opportunities, do your homework today.
Learn, refine your skills and focus on your growth.

Dear Students,
Summer has arrived and brought with it your amazing and fun-filled holidays. Summer break is a well-deserved opportunity to relax and unwind by indulging in various activities. Your Holiday Homework has been specially designed for you to be creative, innovative and imaginative while completing your tasks. It will also enable you to recapitulate what was taught in the classrooms. We hope you will play, learn, research, analyze, experiment, imagine, think, value, appreciate and above all enjoy during your holidays. Wishing you happy holidays!

Instructions for the students:

- * Do your holiday homework in your respective subject notebooks.
 - * Mention date and day when you do your work.
 - * Use your creativity and imagination wherever required.
