Transforming Education, Empowering Students

SUMMER HOLIDAY HOMEWORK

GRADE: VIII

To be ready for tomorrow's opportunities, do your homework today. Learn, refine your skills and focus on your growth.

Dear Students,

Summer has arrived and brought with it your amazing and fun-filled holidays. Summer break is a well-deserved opportunity to relax and unwind by indulging in various activities. Your Holiday Homework has been specially designed for you to be creative, innovative and imaginative while completing your tasks. It will also enable you to recapitulate what was taught in the classrooms. We hope you will play, learn, research, analyze, experiment, imagine, think, value, appreciate and above all enjoy during your holidays. Wishing you happy holidays!

Instructions for the students:

- * Mention date and day when you do your work.
 - * Use your creativity and imagination wherever required.
 - * Submit your holiday homework when the school re-opens.
- 

1. Learn all syllabus done in the month of April and May.
2. Read the passage carefully and answer the given questions:

Newspapers are our
Newspapers is a
and views from all corners
occurrence of importance

good friends. Life without
waste. Newspapers bring us news
of the world. Any incident or
that

takes place as reported by the newspapers. The word “NEWS” is interpreted as North, East, West and South. It means that the newspaper provides us with information and news regarding various subjects from all directions. Newspapers also give us articles on all kinds of topics such as political, social, economic monetary, business, commerce, sports, education, health etc. Newspapers publish advertisements that attract the attention of the customers.

They also contain book reviews of literary, historical and other books by the scholars. Newspapers are of different types. Some newspapers are published daily. They are called “Dailies”. We must cultivate the habit of reading newspapers to know what is happening around the globe. The one who reads newspapers and interprets editorial pages can only be master in current affairs and general knowledge. Reading newspapers helps you to find out what news is and how it is written. The one who dreams of being a journalist should not spare a day without reading the newspaper. They should be aware about the editorial and be well versed with vocabulary. We will get to know news from all the countries if we read newspapers regularly. If we are reading the newspapers seriously, it will also help to shine in competitive examinations.

i) What kind of articles are published in newspapers?
